

This is **how** I will do it.

Step-by-step instructions.

Action plan

My river needs me!

Resources I will need to make it happen.

(E.g. Do I need an address?)

My one amazing thing is...

(E.g. Do I need to design a reminder for myself?)

Who I will tell.

(E.g. My friends, family, teachers etc.)

How it will help my river.

(E.g. It will stop pollution, help wildlife, help me to understand the river.)

How I could **tell people** about my one amazing thing.

(E.g. A news report, sound bite, poem, art work, poster.)

When I will do it.

(E.g. Tonight; this weekend; every time I clean my teeth, etc.)
